

ENVIRONMENTAL POLICY STATEMENT

GBData Ltd.

GBData is committed to ensuring that its operations take into account the possible impacts on the environment.

Adverse effects of operational activities on the environment will be minimised as far as practicable.

The objectives of the policy are:

- Reducing Energy Usage by increased Energy Efficiency
- Operating the Business in an environmentally sensitive manner
- Ensuring that all relevant Environmental Legislation and Regulation is applied including its legal obligations under the current Health, Safety and Welfare Act and the Environmental Protection Act, together with all other applicable statutory provisions and relevant codes of practice.
- To promote health, safety and environmental awareness throughout the organisation
- Purchasing environmentally friendly materials when appropriate
- Raising the awareness of staff so that everyone may be involved
- To minimise the social impact of the company activities and avoid damage to the environment through regular reviews of the business from environmental and management systems audits
- To undertake environmental impact studies as part of any company relocation or enlargement of existing facilities
- Re-Using or Recycling Waste when possible
- Using raw materials in a manner that reduces waste
- **GBData** will aim for Continuous Improvement
